Dear Mr. Bond:

This is to confirm that two BVWST scientists, John Chitwood and myself, will visit Perma-Treat for a reconnaissance and interview on Thursday, July 29, 1993 from 9:00 a.m. to 2:00 p.m.

As we discussed on the telephone, BVWST is instructed by USEPA to examine all outdoor areas, but will not enter buildings. We request that you have available to us a plat, drawing, or sketch showing the boundaries of your ownership of this site. This will aid us in examining the site without inadvertently trespassing on adjoining properties. We appreciate your cooperation in this matter.

If you have any questions, please feel free to call me at (312) 683-7856.

Sincerely,

B&V WASTE SCIENCE
AND TECHNOLOGY CORP.
